

NOVEMBER 2017 NEWSLETTER

Welcome to the November Newsletter

We can't believe it's already November!

We have our first round of Closure Day program days this month. Don't forget to sign up using our [online form](#).

Now that the rain and cold are here, we encourage families to send kids to program with proper shoes and outerwear so we can have fun outside. When the weather is cold, we require kids to wear a jacket outside. If you don't require your child to wear a jacket during outside time, please let us know.

Join us on Wednesday, November 15th for our first family night of the year.

- KCLC STAFF
